

**MH** MATT HELM  
GUITAR RECORDING

**Let me record  
bespoke guitar  
for your music**

If you need more from your guitar track than you can get from these Songwriter Building Blocks, contact me about recording bespoke guitar for your music.

I'd love to use my 25 years of guitar experience to construct the perfect guitar part for you. We can come up with something that works for your ambition and budget.

Visit my website and contact me for more information.
